- 	Mr. Dulles (Cont'd.)
•	
	Mr. Wisner:
	a. Referred to the stories in LIFE and NEWSWEEK concerning the recent Egyptian coup and noted since CIA was not mentioned there was nothing for us to do in this regard. The DCI approved.
	S.9-2-5 ⁻²⁻
	b. Noted a report furnished by a Foreign Service officer in Paris concerning his attendance there at a meeting of the Wiley Committee and stated that the report indicated that Senator Wiley had made a statement that he had been informed by personnel of CIA that RFE received its money from that Agency. After some discussion, the Director stated there was nothing further we could do at this time in regard to this matter; however, he would personally see Senator Wiley upon his return to the U.S. In connection with Wiley's statement, the Director stated that in all probability Wiley had picked up his information concerning RFE at a briefing he (the DCI) had given for the President, Cabinet Members and certain selected Congressional leaders. 25X1
25X1 25X1	d. Raised the question of visits of Senior Representatives approximately every six months to the U.S. for consultation and noted that at the present time were the only individuals due for return for this purpose. The Director stated that the Senior Representatives would visit the U.S. every 6 to 8 months for consultations and approved such a visit for Mr. Wisner then noted that was about due 25X1

Г	Mr. Wisner (Cont'd.)	
L		
	e. Noted that the Stevens Paper would probably be discussed at the next PSB meeting and recommended the DCI's approval.	0EV4
	Was weeting and recommended one por a approver.	25X1
	Mr. Becker:	
		_
	a. Reported that he had called the office of the Commandant of the Coast Guard as directed by the DCI and that organization was well satisfied with the	;)
	intelligence support it was now receiving.	
	b. Referred to an article in the NEW YORK TIMES by Salisbury concerning Russian production and stated that an examination of this article indicated	
	there was no security leak involved.	
	c. Noted he and DD/P were conducting a joint survey of the requirements of the Intelligence offices and the potential intelligence facilities of the Operational offices.
